

MANUFACTURING FIRST & FOREMOST

Our **focus** is clear – **Private Label Dry Pet Food**. We **respect** our customers, and truly **value** our mutual business.

We have **over 22 years experience** manufacturing a full range of quality dog foods, cat foods and treats. We produce therapeutic diets, premium formulations, mid-range, and price sensitive diets – **we do it all, and we do it well**.

Our quality assurance standards are second to none. Our mantra is “**Quality is embedded in every aspect of our business**”. Experience makes the difference.

We are a **privately** held company, **Canadian** owned and operated. Our customer base includes established pet specialty brands, smaller independent accounts, mass merchandise accounts and grocery.

Our job is to **manufacture** quality private label pet food, but our **strength** is in the relationships we build with our accounts. **Partnerships are key**.

Elmira Pet Products – Focused on Private Label
